### Prayer Needs

#### International Missions Board (IMB)

For the physical and spiritual renewal of church leaders in their efforts throughout the world.

#### The "Prayer Point" for this week:

##### Health Care Missions

**Central Asia** - Treating a woman with malnutrition is vital for her health and her baby's health. Pray that through home visits in a maternal health project, health workers can intervene in these women's lives to impact them physically and spiritually.

#### Weekly Prayer Calendar

##### Sunday

**Malaysia** - Pray for greater access to Malay-language Bibles, which are largely unavailable in non-Christian areas

##### Monday

**Saudi Arabia** - Pray that Saudi women who are oppressed will find freedom through the gospel of Christ.

##### Tuesday

**Mali** - Pray that more Bibles will come available in Mali's minority languages.

##### Wednesday

**Sudan** - Pray for increased access to Christian literature so Sudanese believers may continue to grow in faith.

##### Thursday

**Bhutan** - Pray for the effective training and discipleship of local church leaders.

##### Friday

**Tajikistan** - Pray that the government's efforts to label Christian literature "extremist" will backfire.

##### Saturday

**Colombia** - Pray for front-line workers who share the gospel under the constant threat of violence.
